LOCAL BREVITIES.

Most trains late.

Wheat threshing is commencing.

A good many strangers in the valley.

But little timber coming to town these days.

The candidates will soon be in the stretch.

County court holds an adjourned term July 22d.

Three inches and a half of rain so far this month.

Ticket sales at the Ironton station are unprecedented.

Rain and plenty of it. Who said "drouth" this year?

Probate docket for the August term is printed this week.

Little or nothing doing in our justices' courts these days.

One fresh milk cow for sale.

R. C. MARKS, Ironton, Mo.

A couple of automobiles from Doe Run were in the valley Saturday.

Train No. 3, south-bound at noon, now stops at Ironton station on flag.

Wm. Trauernicht commenced work on the foundation of his new home Monday.

Corn growing mighty fine. The rains have hurt the wheat and hay some, however.

Thousands of post card views of the valley at Brown's, 1 cent each. 17 different views for 15 cents.

The financial statement of the Pilot Knob school district is printed in this issue of the REGISTER.

Rev. Strother writes that he is having a very successful meeting at Hendricks, in Butler county.

Lost—At the Mulligan swimming hole, a 22-calibre Savage rifle. Return to this office and get reward.

County Clerk Reyburn has a supply of State Fair catalogues for distribution. If you want one call on him.

Lost advertisements in the REGISTER last week recovered a gold watch and locket and chain for the owners.

It is said some good contracts—both for blocks and building stone—are expected by our granite quarries in the near future.

Quarterly meeting at Fort Hill church next Sunday, July 17th, Presiding Elder Crow officiating. Everyone is cordially invited.

We are again advised that there is prospect of some iron mining in the valley again in the near future. The sooner the better.

The best bargains of the season in Ladies' Muslin Underwear—now on sale.

LOPEZ STORE CO.

A. G. Russell has been busy the past two weeks cutting wheat in the valley and vicinity. He says the yield is the best he ever saw.

A large persimmon tree in the yard of Mr. J. M. Whitworth was blown down by the storm Saturday night. Required a pretty good gale.

The Gleaners will serve homemade ice cream and sherbet at the Presbyterian church lawn, Thursday, July 14th. Everybody is cordially invited.

The county Democratic Central Committee meets next Saturday, July 16, at 2 o'clock P. M., in Mr. Edgar's office. The official call is printed elsewhere.

The city council is considering the advisability of enacting a new license ordinance. The proposed law would put a license tax on almost every business.

Roy Reel, who was accidentally shot at the charivari ten days ago, is still in the railroad hospital in St. Louis. We are glad to say that he is getting along very nicely.

Our old friend, Mr. W. H. Thomson, has returned from Hot Springs and is recuperating at "Valley Home." We are glad to say there is much improvement in his condition.

There will be a grand picnic and fish fry at Brule next Saturday, July 16th. Everybody is invited to come and have a good time, and all candidates for office are asked to attend and make speeches.

A. J. S. Lehr of St. Louis was here last week in the interest of the candidacy of Governor Francis for United States Senator. Mr. Lehr did not find a great deal of Francis sentiment in this section.

Last Saturday's *Republic* in the column of fifty years ago from the *Republic's* files recites the fact that James Lindsay of Ironton was nominated for Lieutenant Governor on the "Black Republican" ticket.

The St. Louis *Star* has a representative in town this week gathering data for an article on the valley to be published in the Sunday *Star*. Afterwards the same article will be printed in an almanac which the *Star* will issue about the last of the year.

The railroad company has issued a large number of programmes of the Methodist Encampment at Arcadia, July 25-31, under the direction of the presiding elders of the St. Louis Conference. A large number of visitors is expected.

The Murdock-Crumb office in the Academy of Music building has been dismantled and abandoned. Bro. Bunn has hied to more genial climes, and we suppose that the places that have known him will know him no more forever. So pass the glories of the world.

A summer visitor by the name of Bumgardner, with his wife and child, was out driving in Arcadia Monday evening when they attempted to go past another rig. In the contest the Bumgardner rig ran against a post and Mr. Bumgardner was thrown to the ground sustaining a broken leg.

A business meeting of the Fort Hill Epworth League will be held Wednesday evening, July 14th. Important business to transact. All members of the League and of Fort Hill church are earnestly requested to attend.

MAUDE LANGDON, Pres't.

CARTER BLANTON, Sec'y.

Mrs. Frank Mayes on the night of July 4th had the misfortune to be hit by a sky-rocket which some children were sending up before her residence. Dr. Gay was summoned at once and dressed the wound which was found to be a severe cut in the forehead. Her early recovery is hoped for.

Hon. Jas. S. Berkley, Democratic candidate for Circuit Judge, will address the voters of Iron County at the following time and places: Des Arc, Thursday night, July 14th; Annapolis, Friday night, July 15th; Ironton, Saturday night, July 16th; Graniteville, Monday night, July 19th; Bellevue, Tuesday night, July 19th. Commencing at 8 o'clock. All are invited.

What was at first thought to have been a few cases of chicken-pox in the neighborhood of Dagonia, in the western part of the county, has upon further examination been diagnosed as smallpox and there is said to be at this time some twenty-five or thirty cases scattered over the neighborhood. The county court held a call term to-day and ordered the sheriff to proceed to that neighborhood at once and establish a strict quarantine so that the disease may be stamped out. It is said that the disease in most cases is in a mild form, only one death being reported, that of an old lady by the name of Jordan. The disease is said to have been brought there by a crew of negro tie loaders.—Centerville Outlook.

One of the greatest fencing propositions undertaken in this section of the world recently was started by the Iron Mountain railway today, when fencing the right-of-way from Jefferson Barracks to Texarkana was started. This work comparatively includes all of the distance of the main line of the Iron Mountain which means 491 miles. Fifty car loads of fine cedar posts and hog tight woven wire have been received here recently and still more is coming. So much material will be used in the work, in fact, that the local officials fear that the amount of switch trackage taken will handicap operation in the yard. Two hundred men were put to work this morning along the line between this city and Piedmont and it is the plan to use large crews in rushing the work through. A well fenced right-of-way means no danger of running over cattle and stock and the fence like every other part of the Iron Mountain is being put in the very best of condition.—Poplar Bluff Republican.

For the purpose of correcting the impression that the Valley can only take care of a limited number of summer visitors, and to facilitate locating them upon their arrival, I request that those who are in a position to accommodate people through the summer write me fully as to the following points:

1. Number that can be comfortably boarded.

2. Number you have at present.

3. Rates by the day, week and month.

The idea is to give a copy of this list to the proper official of the Iron Mountain Railroad and to send out in answer to all inquiries of this nature that may be received. In order that the list may be kept up-to-date, it will be necessary to let me know by phone or letter from time to time of any vacancies, etc. A reply from all interested will be appreciated.

The smallpox situation in Flat River has improved to such an extent that the city authorities feel warranted in removing next Friday at noon the restrictions against public gatherings which were prohibited by the mayor's proclamation of June 17. The County Board met at Farmington Wednesday and removed the restrictions so far as the rest of the county is concerned, and unless a new outbreak of the contagion should make its appearance affairs will soon be in a normal condition. Most of the smallpox patients in Flat River have been released and only a very few new cases have been found during the past two weeks. The disease is rapidly disappearing and the health officers have little fears of another outbreak, although they are taking every possible precaution to prevent any such recurrence. We are glad of the opportunity of again commending and congratulating the local authorities upon the efficient manner in which they handled matters during the smallpox epidemic.—Lead Belt News.

Last Sunday about twenty St. Louis newspaper men came down on a special car to the Valley to view the beauties thereof, arriving at 1 P. M. It was a rainy day, altogether unpropitious to the outing, but the members of the Business Men's League met the visitors at the Arcadia station, nevertheless, with covered rigs, and drove them about the Valley. It was seeking pleasure under difficulty, and the prospect of mountain, vale and plain was sadly obscured by driving rain and gathering mist. However, drives were made to the Shut-In—but not through it—to the Pilot Knob Lake, and around Shepherd Mountain. Then a view of the Arcadia College grounds took up the short remainder of the afternoon. At five o'clock the cry, "all aboard!" gathered the visitors into the car and in a few moments they were on their way homeward. As their "special" included a "diner," let us believe that they made their return neither dry-lipped nor a-hungered.

The Royal Neighbors of America met for the first time in the I. O. O. F. hall, Ironton, Mo., June 17, 1910, for the purpose of organizing a camp with Mrs. Wendt, the District Deputy and Supreme Oracle, having secured the required number of applicants. Officers were elected and installed and the camp named Arcadia Valley camp. Then we adjourned to meet again in two weeks. Meanwhile the District Deputy and Supreme Oracle went to Graniteville and secured the sufficient number to organize a camp there, and on the 8th of July the A. V. Camp was invited to come and help organize the camp there. We accepted and a very enthusiastic camp was organized. The A. V. Camp met again in the I. O. O. F. hall at Ironton, July 11th, 1910, transacting all unfinished business, with Mrs. Wendt, the S. D. & S. O., in charge, and it was decided to meet every 1st and 3d Tuesday afternoon at 2:30. After which we had a delightful treat and all the neighbors unite in giving a vote of thanks to neighbor Percy, our newly elected Oracle.

Jas. W. Hill, 78 years old, died from old age at his home at No. 1718 Wall street, at 6:35 o'clock yesterday morning after an illness of three months. Mr. Hill has been a resident of Missouri all his life and of Joplin for the last twenty years. He was born June 8th, 1832, in Madison county. He came to Joplin from Fredericktown, Mo., and was engaged in the hardware business in Blendville with W. S. Crane, having retired from that business a number of years ago. He was a highly esteemed member of the Methodist church and of the Masonic fraternity of Joplin. Mr. Hill is survived by one daughter, Mrs. Minnie Covert, of Joplin, and two sons, Nifong Hill, of Centralia, and Thomas Hill, of Joplin, all of whom were at his bedside at his death. The funeral services will be conducted by the Rev. Mr. Davenport and will be held from the residence at 3 o'clock this afternoon. Interment will be in Fairview cemetery.—Joplin Daily Globe.

A good many years ago the subject of the above sketch was well known in Ironton, owning an interest in the flour mill here.

The REGISTER notes with great pleasure the good-will now being manifested by the railway people toward the development of this section—especially of Arcadia Valley as a suburban resort for St. Louisans. The train service has been bettered; booklets and circulars, finely illustrated, are being printed and circulated, free, by the Immigration Department of the Railway; and in various other ways the advantages of this portion of the Ozark country are made manifest to the world. For these favors our citizens feel themselves beholden to the management of Missouri's greatest thoroughfare, and will not fail to respond, where they can. Some months since it was suggested by a railroad official that a central station for the Valley be built on the top of the grade between Ironton and Arcadia, at which all passenger trains should be halted for the accommodation of the traveling public—with stations for the local trains at Pilot Knob and Arcadia. We were told to "get together," and that desirable condition is now as nearly obtained as is possible for any project on this sphere of jangling thought, interest and purpose. Ironton joins hands with its neighbors on the north and south, and asks for nothing that will not be advantageous to us all, and I am sure this feeling is reciprocated. Under the proposed arrangement Arcadia will remain in possession of its present traveling accommodations, while Pilot Knob will be replaced on the railway map. In addition, every passenger train on the road will be available to all of us. Surely this is a consummation devoutly to be wished. Why not Ironton in a modest way—for we are not blessed with great wealth—prove its good will to the object desired by a subscription of, say, \$500 toward the erection of the proposed central station? This would, at least, show that we stand ready to grasp hands with our outside friends.

Constitution and By-Laws of the Arcadia Valley Business Men's League.

1. This League shall be known as the Arcadia Valley Business Men's League.

2. The headquarters shall be at Ironton, Mo.

3. The object of this League will be the promotion of the prosperity of all the residents of the Arcadia Valley, and this will be accomplished by encouraging new industry, settlement of the farms, and judicious advertising of our resources.

4. All white male citizens of the valley are eligible to membership, and others may be admitted by unanimous vote of the Executive Committee.

5. This League will never take any part in partisan politics, nor discuss political, religious or moral questions.

6. All parts of the Valley must be treated impartially, and with equal fairness, and be considered as one united whole, without regard to town lines or names.

7. The officers of this League shall be President, 1st and 2d Vice-Presidents, Secretary and Treasurer, who shall be elected annually by a majority vote of the membership present at the meeting of the League.

8. An Executive Committee of one-fifth of the total membership of the league will be elected annually by a majority vote of the League and will have all the powers of the League between meetings, with the exception of disbursing such large sums of money as 50 per cent. of the funds in the treasury, and at least two-thirds of its membership shall be required to constitute a quorum to transact business.

9. All affairs requiring 50 per cent. or more of the funds of the League, will require two-thirds majority vote of attending members, at all regular or called

meetings, and attendance will be secured by the secretary of the League, sending written notices by mail seven days in advance of every such meeting.

10. It is hereby provided that no member shall be bound to any financial obligation or other obligation, unless he assents to same in writing, as a member of this League, and no vote of the members can change the intent of this section.

11. A Committee of five on ways and means shall be appointed by the Executive Committee.

12. A Committee of three on membership shall be appointed by the President who will make their recommendations to the Executive Committee.

13. The regular meetings of the League shall be the last Thursday in June, September, December and March.

14. The Executive Committee will meet on the last Thursday in every month, and more frequently when called by the chairman.

15. The President and Secretary shall be members of the Executive Committee and the Secretary shall attend each meeting of same.

16. It shall be the duty of the President to preside at all meetings of the League. In his absence the 1st or 2d Vice-President shall preside. The Secretary shall keep a complete record of all business transacted by the League and its various committees; shall keep a roll of the membership, and a correct account of all receipts and expenditures of the League, and attend to all its correspondence.

17. The Treasurer shall receive all money and pay out same on the order of the President or chairman of the Executive Committee, attested by the Secretary.

18. Special assessments may be made when assented to by a three-fourths majority vote, and voting to be in same manner as provided in section 9.

19. The dues for each member shall be \$5 per annum, payable quarterly.

20. A quorum at regular or important called meetings shall be 50 per cent. of all members and at unimportant meetings not less than 25 per cent. of all members.

21. This Constitution and By-Laws may be changed or amended at any regular meeting of this League by a two-thirds majority vote of the members of the League.

Baby Marjory.

At 11:30 o'clock P. M., Wednesday, July 6, 1910, the spirit of Marjory Richmond, infant daughter of Mr. and Mrs. Carroll York, took flight into realms eternal, and her little body was laid to rest the succeeding afternoon.

How diminutive the white casket which enclosed so much of the home, sanctified by a love greater than one can express and pure as that of angels! Although the earth knew her presence but two short years, not all of time and circumstance can obliterate the presence of her being. The music of her baby voice is stilled; the wondering eyes are closed; the little busy hands lie folded in peace. Yet all these in life are to the sorrowing household ever present. Memory, though it cherishes, soothes through the love it cherishes, while Faith cheers with the thought that there is no death—only change. May this faith strengthen the bereaved ones and comfort them with the assurance that each passing day but brings them nearer the heavenly home of the dear one "gone before."

Weak Throat—Weak Lungs

Cold after cold; cough after cough! Troubled with this taking-cold habit? Better break it up. We have great confidence in Ayer's Cherry Pectoral for this work. No medicine like it for weak throats and weak lungs. Ask your doctor for his opinion. He knows all about it. His approval is valuable. Follow his advice at all times. No alcohol in this cough medicine. J. C. Ayer Co., Lowell, Mass.

Always keep a good laxative in the house. Take a dose when your cold first comes on. What is the best laxative for this? Ayer's Pills. Ask your doctor his opinion. Let him decide.

George White and Chas. Dunn made a trip to Poplar Bluff last week.

Candidates are looming up. E. L. Barnhouse and Redmond Black for collector were here Saturday. They are making a close, house-to-house canvass. Chas. Phillips, Republican candidate for county judge, was in town. He is a nice fellow, but the ticket he is running on will lack votes when the polls are closed in November. Bill Stevenson will have votes to spare.

Another wedding soon.

John McFall is loading out ties. He has about ten car loads.

Wm. Propst, a merchant at Sabula, is in town to-day.

Sam Culton had a fine mule killed on the railroad yesterday. He appraised it at \$200.

Elijah F. Greenies of Washington county was in Annapolis all of last week, looking after government lands. He filed on three different 40-acre tracts.

T. P. Fitz was in town last week scaling up hub timber. But little coming in at present.

Plenty of fishermen coming from St. Louis and going out on Black river.

Mr. Calimire, who owns a section of land in sight of town, was here from St. Louis last week looking over it, and found several families living on it. He told them they could remain by paying \$1 a year rent. Cheap enough. He also told the writer he would build a summer home here soon.
